Goldman Sachs City Fellowship 2009/10

PLANNING AND ANALYSIS, CONTROLLERS - FINANCE

Firm Overview:

The Goldman Sachs Group, Inc. is a bank holding company and a leading global investment banking, securities and investment management firm. We provide a wide range of services worldwide to a substantial and diversified client base that includes corporations, financial investors, governments, non-profit organisations and high net worth individuals. In doing so, we bring together people, capital and ideas to make things happen for our clients.

Business Unit Overview:

The London Planning and Analysis team is responsible for regular reporting and in-depth financial analysis of European performance for senior European Management. A City Fellowship in London's Planning and Analysis team offers a unique opportunity to gain an insight into financial metrics and management reporting in a large Investment Bank. As contact with virtually every part of Controllers and the firm is essential, the successful City Fellow will experience Goldman Sachs businesses, products and sophisticated technology systems in depth. Throughout the year, the successful candidate will be involved in a number of challenging and varied projects.

Responsibilities:

- Weekly reporting of European results to senior management
- Daily reporting of the trading divisions' performance
- Monthly financial analysis to the European Management Committee
- Metric analysis and business planning
- Working with the Executive Office to prepare presentations and financial support
- Detailed expense review and ad hoc projects
- Developing a rapport with trading and investment banking divisions to improve reporting and control of European revenue and expenses

Skills and Experience:

- Background in or previous exposure to finance and/or accounting a strong advantage
- Highly motivated, enthusiastic with a strong academic background
- Strong analytical, numeracy and communication skills
- Team player with a keen attention to detail
- Flexibility and ability to learn quickly
- Strong organisational skills and the ability to manage multiple assignments concurrently
